IMPORTANT INFORMATION ABOUT CHARTER

PARTICIPANTS LIST

The list of participants must be delivered at least six weeks prior to the travel date.

MEALS

When chartering a boat, half board service is obligatory for all passengers. If you opt for full board, this will be binding for all tour participants; the combination of half and full board within a charter group is not possible. However, it is possible for the entire charter group to book half board on specific days and full board for the remaining days (e.g. 3 days half board and 4 days full board). Please inform us at least six weeks prior to your travel date about your preferences. The selected catering is to be paid equal to the respective minimum number of charter participants, set for the surcharge calculation (please see charter prices in the price list).

Charter groups can choose between half or full board, regardless of whether the ship on regular cruises offers half or full board.

Additional meals or special requests, which may add extra costs, are payable on board.

ROUTE PLANNING

The routes within Croatian territorial waters can be discussed individually; the average daily sailing time is about five hours (= 35 hours per week), but not more than seven hours per day. When exceeding the averagedaily sailing time, a fuel surcharge applies, payable to the captain. You should therefore inform us in time, if possible already at the moment of booking, about your route requests and wishes, so we can estimate the daily sailing time and calculate a possible fuel surcharge.
